DETAILED SUMMARY STATEMENT:

The City enters into an annual agreement with other jurisdictions for the operation of the Snohomish Regional Drug and Gang Task Force (Current Interlocal Agreement). The Current Interlocal Agreement provides for each jurisdiction to contribute toward the local match requirements for federal grant funds. The City's share for the agreement of July 1, 2016 through June 30, 2017, is \$35,178.00.

The purpose of this agreement is to establish additional financial support by the City to defray the Task Force's operational costs associated with equipping City narcotics unit staff. Such costs include office space, equipment (computers, printers, fax, phones, furniture, etc.) and supplies, training and travel, as well as the cost of vehicles, fuel and maintenance not covered by the Current Interlocal Agreement.

This Intergovernmental Agreement provides that the Task Force may retain up to \$200,000.00 of the net monetary proceeds to which the City is entitled under Section 5.3 of the Current Interlocal Agreement regarding asset forfeiture. If such net monetary proceeds fall short of this amount, the City is not obligated to pay the difference. This agreement is for the period of July 1, 2016 through June 30, 2017.
